Mrs. Mildred was the absolute sweetest lady. She was a resident with us at Heritage Manor for several years and loved participating in Physical Therapy—even until the very end. She will be sadly missed by our Therapy Dept. as well as the entire Nursing Staff and Resident Body. She was loved by all!

Ms. Mildred was so good to me all my life! She and Mr. A.D. were friends with my parents and Keitha and I were friends as well. I spent many a night there at their house and she always made the best biscuits and coffee! Even years after I left Franklinton and would go by and visit she would make her special biscuits! She is definitely in Heaven! Will miss her!

My condolences to Kethia , Larry and Bobbie. My thoughts and prayers are with you all.
Ms. Mildred so gracefully shared with me her recipe for eye of the round many years ago. She was definitely a good cook.

Mrs. Mildred was my mom, Mary Magee Creel's best friend when they worked at Rutter-Rex. They remained friends for my moms entire life. I visited Mrs. Mildred in the nursing home at Christmas and introduced her to my moms granddaughters. She was still the sweet, humble lady I have known for all my life. Much love to the family.
