“ Jason would drive to my house just to ask if I was doing okay an set on the porch with for hours just talking about life. He would know when I was bummed out an know just how to crack a joke to me laugh. I'll always remember him in his green Mustang an him washing it constantly..Rest Easy Jason

“ I am very sorry to hear about Jason. I loved Jason and treasure the times we chatted while sitting in rockers on my front porch. Even after all the years that have passed since then, I think about him when I'm on the porch. I ran into him in town after Katrina and he made me promise if he could do ANYTHING for me anytime, day or night to let him know. He was always so kind. To all of Jason's family and friends, I pray that God will comfort you and bless you during this time of sorrow.

“ Jason was my classmate at MHS. He was always so sweet and polite...which was odd for a Jersey boy who moved to the middle of nowhere. I am so sad to hear of Jason's passing, but I rejoice in knowing that he and Kevin are now reunited. Although Jason was my classmate, Kevin was one of my best friends. My prayers go out to the family.

“ I didn't know Jason that well, but he made an impression on me. He was hard working and so dedicated to his son. He loved the Lord too, and that is a consolation for us all. He will be sorely missed.
