“ Michael and I worked together for 7 years before we both left Modern Systems. He was my work family. I served him in HR and would do anything for him because he was so polite, respectful and honest. He was also the hardest worker we had ever had. Many employees didn't want to work with him because he made them look lazy! He didn't even take a lunch break most days. If we wanted to impress a customer, we knew to send him.

To his mother- you can be proud of the son you raised with such poise, respect and manners. He represented your family well. He was also very proud of his given name, Michael. We all called him Mike but I noticed he introduced himself as Michael to everyone he met and did not prefer to use the nickname Mike. I asked him if we should stop calling him Mike but he was very kind to say we could do what was easiest.

To his daughter Mikayla- he loved you so very much and was so proud to be your father. He would smile that beautiful smile whenever he talked about visiting you or your name came up.

Mike will be missed so very much. He was a light that shined in this sometimes dark world. I will see you again in Heaven my friend.

Let's pray.

Lord, we thank you whole heartedly for another day. We thank you for life. We thank you for our husbands and wives, for our children, for our friends and family. We thank you for all that is seen and unseen. We thank you for this opportunity to praise and glorify you as one. Lord, you asked us to come to you with the desires of our heart. We come to you today to ask for an abundance of peace, patience, and faith for all those affected by the loss of Michael Campbell. We ask that you bring justice to those who deserve it, and peace to those who need it most. We ask that you overwhelm Michael's family with the grace that only you can provide. We know that you have a purpose and a plan with everything that you do. We know that, in all things, we must keep our eyes fixed on you. Please help us to walk in your light, and to share the message of your love with everyone who will listen. We ask these things in Jesus' name, AMEN.

Thank you Jesus for sharing Mike with us. --DougBarrett--

“ At our company, we have a strong prayer team. We had the honor of building a prayer meeting on behalf of Michael Campbell today.

In Isaiah 30:18-21, God said:

“18 So the LORD must wait for you to come to him
so he can show you his love and compassion.

For the LORD is a faithful God.

Blessed are those who wait for his help.

19 O people of Zion, who live in Jerusalem,
you will weep no more.

He will be gracious if you ask for help.

He will surely respond to the sound of your cries.

20 Though the Lord gave you adversity for food
and suffering for drink,

he will still be with you to teach you.

You will see your teacher with your own eyes.

21 Your own ears will hear him.

Right behind you a voice will say,

“This is the way you should go,”

whether to the right or to the left.”

Michael was intelligent, honest, and he held himself up with integrity and courage. I cannot imagine the adversity and suffering he had seen and felt over the years, yet he would always greet you with a smile. He firmly understood teamwork, and he would equip you to succeed. He made a point to share and to teach whenever possible.

In Mark 5:24-34, we learned that something as small as a faithful thought could bring healing.

“24 Jesus went with him, and all the people followed, crowding around him. 25 A woman in the crowd had suffered for twelve years with constant bleeding. 26 She had suffered a great deal from many doctors, and over the years she had spent everything she had to pay them, but she had gotten no better. In fact, she had gotten worse. 27 She had heard about Jesus, so she came up behind him through the crowd and touched his robe. 28 For she thought to herself, “If I can just touch his robe, I will be healed.” 29 Immediately the bleeding stopped, and she could feel in her body that she had been healed of her terrible condition.

30 Jesus realized at once that healing power had gone out from him, so he turned around in the crowd and asked, “Who touched my robe?”

31 His disciples said to him, “Look at this crowd pressing around you. How can you ask, ‘Who touched me?’”

32 But he kept on looking around to see who had done it. 33 Then the frightened woman, trembling at the realization of what had happened to her, came and fell to her knees in front of him and told him what she had done. 34 And he said to her, “Daughter, your faith has made you well. Go in peace. Your suffering is over.”

I knew Michael had a daughter whom he loved dearly, and if you could slow him down, he would share a story with you. I imagine she, like all of us, may be going thru a trial as well. As we read in scripture, Jesus wants to heal us. Jesus wants us to be overwhelmed with faith, just like the woman in this story. This glimpse of history stands as a lesson to us all today. Keep Michael’s daughter in your prayers and have faith in the Lord healing her heart.

In 2 Timothy 4:17-18, we learned of Paul even at the end of his life here on earth:

“ 17 But the Lord stood with me and gave me strength so that I might preach the Good News in its entirety for all the Gentiles to hear. And he rescued me from certain death.[b] 18 Yes, and the Lord will deliver me from every evil attack and will bring me safely into his heavenly Kingdom...”

I knew Michael was a veteran. He selflessly served our God and our country for many years. I can’t imagine how often God has rescued him (and all our veterans)

from “certain death,” yet God always brings his children safe and sound into his Kingdom. Whether it is towards a Kingdom purpose here on earth, or the final Kingdom in heaven.

“ To the Family & Friends of Michael Campbell, I first met Michael during an interview I conducted some years earlier for a Houston security concern. As a retired veteran myself, I was hopeful for providing an opportunity to another veteran and qualified technician. Michael fit the requirements admirably and proved to become an invaluable asset to those entities for whom he worked. All who met Michael would no doubt recognize the impact of his proud Marine service by his comportment, dress, and professional approach to his work. Whether in person or on the phone, he would always greet me with a courteous military greeting and true to form, his smile and warmth would be ever present. Michael will be missed.

O LORD, be gracious to us; We have waited for You. Be their arm every morning,
Our salvation also in the time of trouble.

“ We worked with Michael for a few years and was always impressed with how polite and kind he was. He would go out of his way to lend a hand and was a hard worker. I chuckle when I think about seeing him working at the Renaissance Festival in his period dress attire. We were lucky enough to know him. He will be missed.

“ Words cannot express the void we feel in our lives with you gone but we all know the Lord needed this Angel so He, the Father, called you home. Mike always brought a calming presence into the room and loved everyone. You and your beautiful smile will be missed. You are at a greater peace than any of us could possibly be while in the flesh but we will see you again. Until then, Rest In Peace. Love, Doug and Elaine.

“ My husband and I met Mike during an installation at our house. We quickly became friends. He was very professional, caring and such a good guy. He spoke so proudly of his daughter and her Mother and what a good relationship they had. We always spent at least 5-10 minutes catching up on his daughter. To say he was a proud father, is an understatement. He GLOWED when talking about her. He also always spoke so highly of her Mother and said many times what a great person she is and what a good Mother she is. That is so unique and special and I hope they hold that close to them in the sad days to come. His service to our country, his spirit and his thoughtfulness were what made him so easy to like. He will be miss - we are so sad.
