“ Randy was one of my best friends. I'll always remember our conversations, fishing adventures, jamming to Rush, and just hanging out. He was an amazing person, a one-of-a-kind guy with lots of personality. I'll always miss him.

“ Randy was my first partner out of pharmacy school at Rite Aid Pharmacy in Mountain City, Tennessee. When he moved to Panama City in Florida I used to spend long weekends with him and we would fish from daylight 'til dark. He was always laughing and telling me about his latest adventures! I can close my eyes and still see him rocking in that rockin' chair with a big grin on his face...
