“ Robin could light up a room and put a smile on my face no matter what. She always put everyone ahead of herself and made sure you knew that she was there for you. I will cherish my times with her and Ricky. We would go shopping and both would come out with a gift bag with a gift for each other and laugh that we could never one up each other. I was honored to be her friend and will never forget her smile and laugh. Robin fly high my sweet friend and Ricky the memories that y'all created will live forever in your heart and soul. To Robin and Ricky's family my thoughts and prayers are with you in this time of sorrow but just know that we all have that special angel on our side.
