“ Since we lost grandma just this past July...and she loved to baby all the kids at the horseshows.... I would love to just imagine grandmother up there in Heaven fixing him a ham sandwich or something and him having a big mayonnaise-eating grin across his face! I love you and I'm here for you Mrs. Janet and Mr. Lester and Adam if you ever should need anything. Please know how loved that your sweet family will always be to me. My sincerest condolences. Much Love, Lacey Averett-Ard
