“ Robyn, Karen and the Boyz, Please accept my sincere condolences on the loss of your sweet Daddy. You know he and I had a special bond, always a little wink, when we'd eat our dessert with our meal. He was one of the finest Christian people I will ever know, and I am so thankful to have had him in my life. I am praying for yall.

“ Well, the last of the Watermelon Crew is now in heaven with the rest of the camping crew. I will miss Mr. Albert a lot, but I know that there are some good conversations and coffee drinking going on in heaven. I love you all.

“ I'm deeply sorry for the loss of your family. A father and grandfather and even a great grandfather. God provided him with a long life this in it self is something to praise God for. God always does what is right for His people accordingly to His will. We have to have the faith that God knew what was best cause He holds the future in His hands. Thus with all that is going on here and thru out the world He decide it was time for your love to have some rest free of heart ache and pain. Therefore I would like to leave you with this just ask the Lord how long will it be before I see Him again. If you don't personally know the Lord get into His word and get on your knees and ask Him to find you. Please note I didn't say believe cause even Satan believes in Him. You are loss not Jesus.

“ Robyn, No one could have done more for their parent than you have for the past year. Your Father was so Blessed to have you as his daughter. To give up your life and devote it to your Father like you did just reminds me of what a wonderful person you are and how blessed I am to have you as a friend. I know that you will miss him and it will be hard to get back to a normal life after staying over there for a year but please know that our Family is here for you always.

Love you all

Robin
