I am sad but I know he is not in pain. Ray was the sweetest brother I my children and I spent many summers with them if I stayed away very long he would tell Ann to call me and tell me to come visit. I have many fond memories with them and the children and grandchildren. Go fly high on that mountain I love you so much and will always cherish the time we shared together RIP brother

I am so sorry to see this. Ray was truly a good man. I got to know him when Ann was taking care of my mother. We spent many times in their home and ate good meals with them. My prayers are for his family that Hod will comfort them 🙏🙏🙏
