“ Preston, I just wanted you to know that I am thinking about you and your family during this time. I know that you will miss your Dad. It makes no difference what your age is you are never ready to lose one of your parents. You are a strong young man. Continue to pray for strength and believe in God. He will bring you and your family through this trying time. I'm so sorry that I could not get to the funeral home, but Abigail Thomas is in my room this year and kept me up to date on arrangements. I have many happy memories of you in my classroom. I hope that made you smile. I will continue to think of your family and pray for all of you. Lydia Creel
