“ When I first started teaching at Franklinton High, Alice was one of the first to welcome this "come here." She had an infectious laugh which resonated in that small faculty lounge. Alice, along with Mary Margaret Burris, Margie Ann. Burris, and Margaret Burch, made working at FHS most enjoyable.

“ I never really knew Mrs Alice personally but she will forever be in my mind as the graceful lady who lived not far from us in that beautiful house near the creek. God's blessings of peace and comfort to the family during this time of pain and sorrow.
