“ *Loved Ms. Aline...a special person, a sweet, gentle spirit, a leader by example... she had a unique and wonderful laugh... Used to love running by the school board office to watch her type...a gifted secretary and confidant to my father...and a special family friend... My Deepest sympathy to ALL of her family*

“ *When I saw this obituary I thought to myself that Franklinton had lost another icon that makes small town life what it is. (You have lost several here of late.) I go back to when Aline took up tickets at the parish basketball tourney in the early fifties. She had that great smile then and never lost it. I went away several times, but when I came back I always found that smile. I will miss it when I return.*
