ALLEN VIRGIL JONES, AGE 53

And a resident of the Oak Grove Community died Thursday night November 2, 2017 at his home surrounded by his loving family. Allen had fought a long and courageous battle with cancer, proving he was Superman to his wife and children. He was a longtime cross-country truck driver of dry goods and other products for several different companies through the years. Allen had the CB handle of “Handyman” due to his ability to build just about anything and his love for working with his hands. He enjoyed fishing and always stayed active before his illness. Allen was a member of Oak Grove Baptist Church and his favorite hobby was spending quality time with his family and grandchildren.

“ I grew up with the Jones family and consider them all my friends. I rode the bus with them from the year I started school until the year I graduated. I met Allen's wife through my sister. The entire Jones family were good people. So sorry for the loss of Allen. I recently lost my husband and I know the pain that you are feeling now. What gives me comfort is knowing that the pain that he felt is gone now. We are hurting but he is at peace. Take comfort in knowing you did all you could and showed him how much you loved him.
