November 30, 1984 - December 23, 2020

ALLISON NICOLE BRUMFIELD NEWMAN, AGE 36

And a resident of Franklinton passed away Wednesday December 23, 2020. She was 2003 graduate of Franklinton High School, where she was a cheerleader and played on the Lady Demons softball team. Allison then attended Delta College to become a Certified Medical Assistant. She worked for several years for cardiologist Dr. Aduli and currently worked in the Ochsner Health System. Allison was a kind person with a big heart that cared greatly about the needs of her patients. She herself had been in the same situations, as she was a very proud cancer survivor. Allison battled and beat cancer 4 times, starting as a teenager and her final time at 32 years of age. She was a devoted mother and wife that loved watching her sons play sports and she adored all of her nieces and nephews. “Allison was absolutely the sweetest young lady I have ever had the privilege of knowing. She was beautiful inside and out. Her co-workers(of which I was one) and her patients all loved her, her smile, and her energy. She will be truly missed.”

“I have not seen Allison in a number of years, but through her dad, I have followed her battles with cancer and her life journey. I remember her unassuming beauty, her vivacious approach to life, her love of her mother and dad, and her special attachment to her brother and sisters. But most of all I remember her courage and determination that brought her through her battles with cancer. She was determined to fight it so she could marry and give birth to her sons. She did it. She did it all with grace and charm. No wonder all of our hearts are broken. I wept with you. Spiller Milton
