“ *My life changed forever at 10:25 Wednesday morning. I know God has a plan but I didn't think it was to break my heart! He has another angel now but he took my angel from me. I watched my aunt and uncle and then my mom and dad bury a child. I prayed I'd never have to feel that pain, that I would go before them. It wasn't to be.*

God sent an angel from above to search the earth with eyes of love. He spotted Mandy and with a golden hand led her away to the promised land!

I will think of you and miss you everyday until we are together again my baby.

I love you Mandy!!!!

“ *Oh Mandy, I was 16 years old when you were born and Paw Paw Johnny came to get me out of school so I could be there. You were the 1st grandchild and my mom and dad were over the moon. As you got older you had a head full of beautiful ringlets. You talked with the cutest little lisp. And boy could you scream - LOUD!!! You loved to hear the story of when you pooped on me when we were out shopping. I could always count on many laughs when we were together because we were known by you as the "crazy aunts". Our lives will not be the same without you! You were taken from us way to soon...my heart aches for your precious children, your mom, dad and sister. I hope you are rejoicing in Heaven with your Maw Maw Fay, Paw Paw Johnny, Aunt Debbie, Paw Paw Nussbaum, Aunt Frannie, Grandma Incardona and all of your other family and friends who have passed. I will love you and miss you forever! Love, Aunt Gearldlynn*

“ *Mandy, I am still in disbelief that you were taken so suddenly from this Earth. I know you are up there watching over us, send your mom a sign that everything is going to be ok, her and your sister really need it. I will continue to take care of your "baby" (the PT) and let her ride in your memory. Love and miss you, Fly high Amanda.*

“ Mandy I can't begin to find the words to say how much I love you. This is a day I never imagined I would have to face. Parents should never have to bury their child. I hate that you left us so suddenly and unexpectedly. I wonder if you suffered or even knew what was happening. God I hope you know how much I love you and relied on you. We had our disagreements and all but my love for you was all that mattered to me. I wish you had found the love from a man I know you yearned for. Your happiness is all I prayed for. I pray now that you are resting in peace and know God's eternal love. I am thankful that you came back to church over this past year and welcomed God back into your heart. I love you my baby girl and my heart aches to see your beautiful smile and hear your beautiful laugh. Until we are reunited in Heaven I will keep you in my heart and remember the joy you brought to me from the moment I laid eyes on you 36 years ago. I love you always and forever....MEAN IT!!!!
