“ *Just wanted to tell each of you, Tab, Mallory, Andrew and Emily, how much we love you. We will miss Angie so much. I know she loved you all more than life itself. Our hearts are breaking because we want her here with us, but we know that she is waiting for us at the pearly gates - and will be there to see us again. Keep this in your hearts. And in the meantime, I'll do my best to take care of your Aunt Della - that's a big job, though, you know! :) Love you so much.*

“ To The Boudreaux family,
It has been years since we all have seen one another, and it seems it's always on a somber occasion. I can always remember Angie , myself, and my two sisters Tina & Carla playing at Mr Dale and Mrs Mary's house as small children. Words cannot describe the sorrow my family has for you at this time. My thoughts and prayers are with you.

“ I can not begin to tell you and your family how sorry I am for your loss. Angie was A wonderful person and always had A smile on her face all the time. I will never forget the love she had for so many people. On day when I was in KC grocery she came i with A lost little boy and had called the law to come find his home and take him back there. She was so carrying she and I stayed with the little boy until someone finally came . I love you and your family .

“ Dear Tab and family, I am so sorry about the loss of Angie. All I have been able to think about is hearing her sing, "Remind me Dear Lord." So, I know she is with Him now. I know that you still want to have her with you and your children, but at least you can be assured that she is with Christ. My family and Church family will be and have already been praying for you and your family. Remember that God is still on the thrown and He will not leave you. My love and prayers are with you always.
