“ Hello Barbara. I have been crying for days as I just heard about Brent March 1. Barbara, did you know Brent and I had a child? She doesn't know about Brent but she sure would love to know she has grandparents out there as my parents are deceased. I know this is a lot to hear, but you know I loved Brent even after he left me. For ten years now I have never dated anyone else hoping in my heart of hearts he would come back and see his other child. Email me please and I promise if you don't want contact I will back off. Love, Jan Kinzler

“ *Barbara Ann, I am sorry to hear about your son. The clouds are very dark now but the good Lord will lighten the clouds for you. The pain is very hard but as time goes on you will learn how to live with the pain and it will be easy to look back on the good times in your sons life.*
