“ On the day that my Sister-in-law died as I was leaving I was walking down the hall ,headed toward the elevator. The rest of the family was gathered in a little group talking to one another. I heard a voice come from down the hall , it sounded like it was a little in the distance and it was a woman's voice . She hollered "Brenda". I turned to look and the family were all still talking to one another. It was her, she was letting me know she was okay and that she made it and the confirmation came from church , Sunday night when the pastor gave my brother a word from the Lord. Every thing is alright . We love and miss her dearly. But, Thank God , Peanut, Elizabeth's baby, Joseph , Mama, Grandma,Aunt Myrtis, My little Hanna, and many,many more, that are gone on ahead of us . They are there . They made it. If you need a confirmation from God about a loved one ,ask God . He will show you and give you peace of mind. We had some heart to heart talks about God and making it to heaven when she was in the hospital when we almost lost her ,the time before last. I'm so glad God let her stay long enough that I could tell her I wanted us to all go to that wonderful place , called heaven , that my mother after she passed came in a vision and told me she made it to that beautiful place called heaven and to tell her children, my children, everyone that I came into contact with, about that beautiful place called , "heaven " because she wanted us all to make it..I want to go there and be with "Jesus' and my family, when it get's my time. I love my sister-in-law. I miss her dearly. But I am so glad the pain and hurt is gone . I'm so happy that she was right with God. She wanted to be with her baby, Joseph . I love you my wonderful friend , with all my heart and I'm so glad I got to tell her that, while ,she was here. God can give you a confirmation. Just like Aunt Myrtis , she had Alzheimer's before she passed , me and Shirley went and picked her up at the nursing home and took her to "Berry's Creek " church . Bro. Byrd , said , "Sis. Brenda , "she don't know us any more ,. She was worshipping God . It was so beautiful that night. I will never forget it. I told him as I was laughing, "yes, she does . she knows who she is , who we are and what she is doing. He said , well I'm gonna ask her. I said , Go ahead, ask her . He said , What is my name , do you know me?she looked at him

and said . "Why sure, you're Lamar Byrd". Lol. end of the story. She made it . She's there. I want us all to go , my mother said it's a beautiful place and she wants us there and and Peanut left us to go and I'm glad she is happy and safe in the arms of Jesus.I love you Peanut.
