“ Pam, I am so sorry over your loss. I remember you and Bobby growing up. You across the street on 10th AV were fun years. I remember you and Billie Hannah playing together and Bobby living next door to our grandmother, Mamma Gee. Darryl and I are so sorry and will remember you in the days ahead in our thoughts and prayers. Love Annwood

“ Pam, I am so sorry for your loss. About 1976, I was living in Dallas. I picked up the newspaper, and there was a picture of Bobby telling about his going to Switzerland or somewhere over there giving a speech about some of his work. I had spent about 15 years thinking I was inferior because I sat by Bobby in Mrs. Wales class plus Robert Wales and Johnny Matherne. I realized I had been comparing myself to a rocket scientist for goodness sake. Those guys enjoyed rubbing in their superiority in math. Kaye Myles Williams

“ Dear Pam and family, Danny and I are so sorry to hear about Bobby. It has been so long since we have seen you, but I remember a lot of good times years ago. I know Bobby was a wonderful husband, father and grandfather. There will certainly be a void in your life and our prayers are with you that God will give you the comfort needed. I am sorry to say I can't come to the grave side services. My thoughts and prayers will be with you. Love to all,

“ *Pam, I am so very sorry to learn of Bobby's untimely death so soon. I tried several times to reach you at and after Thanksgiving, but the line was busy each time I tried. I would loved to have spoken with Bobby if he were up to it, but now I'll have to wait till I join him to have that conversation. My prayers are with you and the children and grandchildren. I am confident that he was quite a father and grandfather, and that you will sorely miss him. I hope and plan to attend the graveside service and see you there. Love, Reggie*
