“ Please accept my sincere condolences on the death of your father. We went to the same cardiologist group in Mandeville and I hadn't seen him on any of my recent checkups. I always enjoyed visiting with him and worked through some situations when he was with the Louisiana Dept. of Revenue and then at Blossman's when he was working there. I know that he will be sorely missed. All of you will be in Debbie's and my prayers.

“ I'm sorry for your loss. I lost my father last year so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at 1 Corinthians 15:26. Jesus gave us a hope for our loved ones in the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. At that time we will never have to lose them again. Why can we say that? Because God has assured us of this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Ms. Simmons
