“ *Aubree is my daughter. I miss her terribly . I sometimes laugh like her and I find comfort in that... She's still with me in spirit , trying to comfort me. I can't wait for the day when I can hold her again for all eternity , but until then I will cherish our time together here on earth and long for our reunion . Save a spot for mommy cause I'm going to do whatever I have to and make sure I get to heaven with you. Until we meet again princesspieface xoxoxo mommy loves you*
