“ Jean & Brent, we have lost a good friend and our community has lost a good man. Aubrey was such a kind, compassionate person and showed it in every way. Jean, I can't help but think of how he loved the rose garden and grew some of the most beautiful roses, so be comforted and know that he is resting now where the roses never fade.

“ *Mrs. Jean and Brent, "Big Un" was a very good man. He symbolized all the qualities of a humble and caring individual. I am truly sorry to hear of your loss. I always kidded with him saying " You are too honest to be a good politician." His compasion and dedication to law enforcement was fueled by his unwavering caring and wanting to do right. The world has lost a good man, husband and father.*

“ *Our hearts are saddened and broke because of the loss of a dear friend, neighbor, and former boss. Our prayers are with Mrs. Jean and Brent and his family. Mrs Jean you know how special our Erin was to Aubrey. In this last week he mustered up the strength to speak with his little angel. This means so much when we knew how weak he was. We love you and we are only a phone call away.*
