“ Aunt Audry was patience and kindness personified! I can honestly say that in the 70 years I have known her I have never seen her lose her temper or raise her voice. She was a source of great support for her sister (our mother), Ruth. Although the younger sibling, Aunt Audry looked after "sister" and called every night to check on her. Never were two sisters closer. I love and appreciate her for that ...and for the wonderful, sweet person she was. She will be long remembered and sorely missed.

Sincere condolences to the family of Mrs. Audry. My grandmother, Minnie Crain worked for Dr.(s) John and Hollis Stafford in their clinic for many years. As a young child I remember her many acts of kindness and never forgot her. May God comfort you as only He can and believe his Word that "To be absent from the body is to be present with the Lord." Now I know where the Strawberry Cake originated. I still make this cake during the holidays.
