“ *What a wonderful woman, so giving and loving. I am so sorry I didn't get to visit with her before she left this world, but will always love her and her kindness to all animals. She taught so many what love is about.*

“ *Brenda, Perry & Eric, it was a beautiful service for Aunt Avie today. I have such fond memories of her on our visits at the farm as a child. I remember how sweet she always was. Mama loved her as one of her sisters. May all your memories bring you comfort in the coming days. Love, Dale Ratcliff*

“ Ms. Avie was the closest thing to a real mom that my children and I ever experienced. She welcomed us in their family and showed us love that will forever be a part of me. I learned so much from Mr JW and Ms. Avie about what a real family is supposed to be. I feel blessed and grateful to have been a part of such a wonderful family even if only for a short time in my life.
I have always loved you Ms. Avie and memories of waking up in Mt. Hermon cooking with you ,
Well those special times are kept in a special place in my heart.
Never forgotten and forever loved.
Thank you for being you.
