“ I am Berdie's daughter, Shelia and we are so sorry to hear of Bob's passing. Our prayers are with each of you. I am brought back in memory of the times we would visit Pine at Jr's grandparents home and all of the kids would get together and play baseball out in the field beside the house. Bob loved it and had such a good time, and so did we! She never seemed to let her physical limitations limit her. She will be greatly missed.
