“ *Lisa and Mike, I am so sorry to hear of your mother's death. It is a great loss, one of which I can sympathize. Your mother was one of those Bowling Green MaMa's that did so much for all of us kids. Those of us that played sports or went to rally, just whatever she could do to making our high school years special and memorable. I loved her like my own and I will be praying for peace and comfort for you at this time.*
