“ Jerry, I was saddened to read of Belinda's Homegoing. We've not seen each other in many years, but that doesn't mean I don't care about friends & classmates. Your heart hurts. My prayer for you is that God will heal the hurt with time and His love and that of family and friends. Martha Knight Elliott, Class of 1969

“ This is hard times that we must go through the lost of such a loved and special person, but it is the love of our loved ones that help get us through these times. I loved Belinda, and always knew that when we I got the chance to see her, I was in for some good laughs and stories that her crazy sisters would tell of long ago. The thing that I most remember and will always cherish is the relationship she had with Ray. We will miss them both, but she is with her loved ones that have gone before, and they are all making us cry with laughter of all the memories we hold dear to our hearts.
