

Betty Jean Booty

June 24, 1940 - December 11, 2013

BETTY JEAN PRINE BOOTY, AGE 73

And a resident of Mt. Hermon died at 1:23 pm Wednesday December 11, 2013 at her home. She was a cafeteria worker at the Jackson State Hospital before becoming the Lunchroom Manager of Mt. Hermon School and later Franklinton Elementary School until her retirement. She developed a relationship with the young people she saw every day and generously helped those who were in need of food or clothing. Betty also worked alongside her husband and family on the Dairy Farm they maintained for many years. She was a loving and caring person who enjoyed spending time with her family, often spending her time “rocking” the youngest children. She frequently did crossword puzzles and liked watching the news. Betty gardened and would often can the food she had grown. She was also a very good cook who loved to share with friends and family, who will always remember her chicken and dumplings and wonderful 7-layer coconut cake.

“ I am so sorry for your loss. I was secretary at the Elementary School when Ms. Betty was our lunchroom manager. She always had a smile on her face and never had anything bad to say about anyone. I went to the cafeteria every morning and had coffee with her and the ladies. I so loved Ms. Betty and will miss her greatly. My prayers and thoughts are with the family at this time.
