“ I am so so sorry to learn of cousin Betty's passing. She was my second cousin on my daddy's side. I remember Betty from our childhood and then we made new memories when she moved to Riverview Apartments in the mid 90's and we became close neighbors for over 10 years before I moved away in 2005. To say she LOVED living at Riverview would be an understatement because she finally "felt part of a family" again since she lost both her parents. She went above and beyond to be a good neighbor and would do anything that was asked of her there. I want to say a BIG THANK YOU to Miss Lettie Foil for being such a caring neighbor and FRIEND to cousin Betty over the years. Even though she died and I did not know it till now I want to say I loved her and so even though I wasn't there when you died cousin Betty REST IN PEACE and I would have been there if I had only known...MUCH LOVE...Joy "Pope' Nielson
