

Betty Smith Thomas

October 4, 1948 - December 30, 2024

BETTY SMITH THOMAS, AGE 76

And resident of Mount Hermon passed away Monday night December 30, 2024 at St. Tammany Parish Hospital after a courageous battle with cancer. She was born in Tylertown on October 4, 1948 and was a Class of 1966 graduate of Mt. Hermon High School, where she played on the Lady Jackets basketball team. Betty was a member of the State Championship basketball teams in 1966 and 1967, an accomplishment she was forever proud of. She married Donald Ray Thomas on July 8, 1967. Betty worked as a beautician in Franklinton until she and her husband opened Donald's Hardware (later known as Pine Hardware) in 1975. The couple bought Pine Malt Stand in 1977, selling the hardware store soon after. They operated the restaurant for over 25 years and always enjoyed serving and visiting with the families they met so often. Betty then did clerical and admitting work at Our Lady of The Angels Hospital until her retirement.

She was a longtime active member of Pine First Baptist Church that truly loved the Lord and her church family. Betty possessed a strong Christian faith that she frequently expressed with others and was comfortable sharing trusted advice to her family and friends in the times it was needed. She loved taking care of her yard and tending to her beautiful flower gardens. Betty was an avid sports fan, especially basketball, watching different games on TV or in person

for her extended family. She will be lovingly remembered as a person that enjoyed life to the fullest and was always a joy to be around.

To Brandy and the Thomas family my deepest condolences and prayers for you all during this difficult time. It was a honor and pleasure to have worked alongside Mrs. Betty as she was affectionately called at the job. She was full of compassion and love for all who came to truly know her. I will never forget her wonderful smile she was family to all of us as well. I will truly miss her.

*“ I keep losing those students I taught. Betty was special with a wonderful sense of humor. She was a very good basketball player and could be tough on the court. She and Don had great support from their parents.
