“ Chuck, Jean and Daniel this world is a litter less bright due to her passing but heaven is getting a wonderful sprit. Growing up we all were like the three musketeers. We always had a great time at your house. Mama and Aunt Birdie in the kitchen and us kids out on the porch or running to the holler to play on the rope swing. Playing in barn great times. Aunt Birdie was very special and her love will be with us always. May God guide you and comfort you and your family. Wish I could be there with all my Love Robin and family.

“ Jean, Chuck, and Daniel One never really knows what to say at a time like this. You know your Mother better than anyone else. You had a great honor to be the children of such a graceful woman and proud veteran of our country. May you have the memories of her lifetime to turn to for comfort, friends to turn to for support, and our God to provide you with the strength to ease your sadness at this difficult time. The ones we love are never really gone; they will forever live within our hearts. "I will not leave you comfortless: I will come to you." John 14:18 My deepest sympathy to you and your family. God Bless You.
