“ *To the Slocum Family,  
So sorry to hear about your mother. I know that her health was not the best. She was a sweet, kind person that loved her family. We are never ready for our parents to leave us, but she enjoyed her life and her family. I'm sure she will be missed. Keeping you in my prayers. Love, Lydia Creel*

*James,  
I still think about Louise, your mom, and it is hard to believe that she is gone. We had some great times together at Pine School. She was a wonderful person and an exceptional teacher. Brianna remembers her well also. She was such a special person and helped make me the teacher that I am today. She always went out of her way to help children. Nothing was ever too great a task for her. She was an irreplaceable friend. I will always remember her with a smile. She could always be humorous and gave good advice. She was never too busy to help you with a "Teacher" problem. There will always be a soft spot in my heart for her and your family. Love,  
Lydia Creel*
