“ Debra and Scott, Sometimes you just don't know what to say and this is one of those time. I had grown close to "Miss Bobbie" in the short time I've known her. She had the best spirit during her illness. I'll never forget the last time she came by to see me. She hugged my neck and told me she just felt like coming to see me and she would see me later. I'm going to miss the converstions we had. I will keep you all in my prayers.
