“ Although this is a sad occasion, I would like to share something faith strengthening with you. It was mentioned in one of the entries, that her husband had died before her, and she could not live with out him. That's how devastating death is. Recall that If Adam and Eve would have remained loyal to God, they along with their offspring would have lived forever. Genesis 2:17. That was the first time that God had mentioned death. It is not surpricing that the Bible holds out a promise of Paradise earth. That includes the resurrection hope. (John 5:28,29) In it God will bless mankind with everlasting life. Harmony and peace will prevail. Pain and suffering will be gone. And people will be able to enjoy to the full the natural wonders of planet earth. Isaiah 65:21-23. www.jw.org.
