August 13, 1942 - December 4, 2024

BONNIE CARTWRIGHT CUNDIFF, AGE 82

And a resident of Mount Hermon passed away Wednesday morning December 4, 2024 at her home. She was a longtime resident of Metairie that had lived with her son in Washington Parish for the last two years. Bonnie had a long career as a secretary at J.R. Equipment Rental in Jefferson, LA before retiring. She was a former member of Crescent City Baptist Church that truly loved the Lord and all those around her. The family recognizes the forgiveness she showed to so many people as an uncommon trait that only comes from the Lord. Bonnie enjoyed working crossword puzzles and cooking for her family with spaghetti and meatballs and stove top Bar-B-Que chicken being just a couple of their many favorites. She liked to go to the movies and go out to eat, especially Italian food. Bonnie had a special place in her heart for animals and she loved spending time with her family.

I took this picture on one of my many visits to see my Aunt Bonnie. She was my favorite person. She was always cheerful and never had a bad word to say about anyone. Found the positive in everything that life may have thrown at her. She was like a mom to me and will be sorely missed. Although I know she would want us to celebrate her life!! You're going home Aunt Bonnie!!!
