“ Glenda and Tamika, I am so sorry to hear about the loss of Miss Bonnie. I remember going by her house years ago and she always came to the door with a smile and said "Come on in Darling." I grew to love her and Tamika. Tamika would be outside in the yard "eating dirt" and she would start fussing. She would say "that youngen had eat enough dirt to fill up a grave!" Tamika would come running and jump in my arms with dirt all over her. Miss Bonnie would take a dish towel and wipe me off. When I'd get ready to leave, she would hug my neck and tell me she would see me in a few days and stand at the door as I drove off. I would often look down and see a spot of dirt she missed or look in the mirror and see a spot on my face. I lost touch with her for a few years but I am so thankful I have been able to see her for several years again. She was a dear person to me for many reasons. I am so blessed I had the honor of knowing Miss Bonnie. I will be praying for all of you during this time. I'll miss seeing her.
