“ I’m sorry Stacey and Harlee!! I know he was such a special person to you both. Growing up he was one of my best friends. I loved him and his sweet family! I can remember him always being banged up from racing and having to help him on and off of the bus and push him around in his wheel chair in school 🙄 I think he did it for my attention 🙄🙄 but I always loved his sweet soul and that crooked little smirk on his sweet baby face! I hate to hear that he’s gone so soon and I pray he’s resting peacefully. You both will be in my prayers!

Love his favorite Wiggins neighbor
