“ I was saddened to learn of Bruce’s passing. Bruce and I were classmates at Franklinton High School, and he was one of my closest friends. We were also co-workers at the J&B Supermarket, working in general labor roles from bagging groceries at the checkout counter to keeping shelves stocked to floor sweeping. I will certainly keep his family in my prayers during this time.

“ *Bruce and I were "bag boys" for J & B Grocery, now occupied as Fair City Restaurant, in the early 60's. He was the senior bag boy and handled many duties for the owners, Buck and Freddie Corkern. Ms. Freddie died recently, and I talked with some of the family concerning Bruce and his time working for their parents. Special guy! My prayers go to the family during this time.*
