“ Burt was the kindest man... always doing for others. He positively impacted the lives of thousands of young children, and their families will be forever grateful to him. We will always be incredibly thankful to him for all the kindness, love, and appreciation he has shown us. We will think of him and his love for astronomy everytime we look up at the stars. Sending love and prayers to his family and friends.

Love,

“ It has been many years since I have seen Burt . We all shared alot of fun times when our children were younger . I always remember that Burt had an amazing ability for engineering and enjoyed putting it to use . My thoughts and prayers are with his family and friends in this very sad time . To his children Jenny and Jeff we all love you and will be right here for you . Denise Lee

Longtime genius friend I spent a lot of time with him and the stars... He was a remarkable person flawed only by being human as we all are! I will see and hear him every time I open my observatory here in Wilmer! I loved the man and his generosity... He's with God and his mom now among the stars!
