“ Beverly and I started first grade together at Mt. Hermon School. During the summer we stayed in touch by becoming pen pals. I still have some of those letters when my son attended the First Baptist Church Playschool, Beverly was his teacher. I was delighted when she became a nurse and worked at STPH in Covington. She was the nurse caring for my dad when he died, and I know he was comforted by her presence. She tuned the TV in his room so he could hear gospel music as he died. She will always have a special place in my heart.

“ Oh the stories of Ms Ann and and Mr Carley
I went to church with them for years at FBC
They may not be here with us anymore but they are in a far better
place.
Mr Carley is with his deacon friends Jerry Warren, Jerry Wascom
and others I can't think of right now.
Sorry for your losses, may God console everyone effected by this
tragic loss.

I met Mr. Carley when he came to turn off my lights. I'd met him before
doing WST business, but had never spoken to him. When I did, in
2016, it was a much needed conversation. He prayed with me and told
me some things that opened my eyes. I didn't know he was a marine,
or I'd have told him my dad and grandpa did too, and especially
THANK YOU 💜 I pray for this family and all their friends at this sad
time.

Dear God, Today I have learned that a friend of mine and his wife will
be joining You in Your Kingdom. Carly and Ann have devoted servants
of Yours my Lord. I know You have prepared a mansion for this man
and his wife. They will serve You well in Your Kingdom. And I know that
You Lord will them, as You always have.
Amen
