“ *I have Cary so deep in my heart, his laughter, merry-making, deep-thinking, quick action, family-devotion, charitable empathic soul, and devoted quintessential LSU Tiger football fan! He joined my family when he sung at David and my wedding 37 years ago and was already in my professional family in a tough career serving and advocating for vulnerable children in the state of Louisiana. My life was changed by him. His ability to work in diversity (and adversity) was part of his personality, he was the bright light in the room and never met a stranger. I love him like a brother and will miss him tremendously.*
