“ *Daddy Wayne had a smile that could light up a city. I knew he loved me when he let me cut the slice of King Cake with Baby Jesus in it. Unprecedented for a Jersey Gyrl. 😊 He was a child of God and evangelized every chance he got. His wisdom and love will be missed by all who were blessed enough to know him. There's no doubt he's with the Lord and his energy lives on in Holly and Luke. Praying for all loved ones comfort and inner peace. 🙏🙏🙏*

“ Mr. Wayne, I am truly going to miss you! You were always a huge encouragement to me. You were such a joy to talk to. The store won't be the same without you. You were there for me during some rough times, and you encouraged me in all of it. You reminded me that God was with me, and would see me though. I will miss you very much. Your sweet spirit, and your beautiful heart will always be with me. I know you're having a great time in heaven, uniting with your wife, and family. Rest In Peace Mr. Wayne, Fly High With The Angels!!

“ I met Mr. Fazekas in the summer of 1987 when I became best friends with Holly. I was at their house all of the time. Mr. Fazekas would always say to me every single time I left, “Ya’ll come back now ya hear”. Let me tell you...I came back. I always felt welcomed in their home. Mr. Fazekas, thank you for encouraging Holly to introduce herself to me. She has been, next to my son, the most amazing part of my life and I thank you for that. I love you and I will miss you Mr. Fazekas.

Oh my sweet E!!! Thank you very much. That summer started the best friendship, with my Ride-or-Die girlie! It was definitely his encouragement that made me, "Go and talk to that little girl over there and introduce yourself." I can't believe I did -- and Thank God I did! He loved you and I will always love you 💕💕
