“ I was saddened to learn of Charles' death. He was in the first class I sponsored when I came to Mt. Hermon fifty-one years ago. There were only four boys and twenty girls in the class. Times were simpler back then. I will always remember his love of the outdoors and his respect for adults. Through the years as we would meet by chance, we would smile, and he would say, "Mr. Finley, we had a good time back then."

“ Our condolences to the Family. I can remember getting up at 4:00 A.M. to meet at a place called the (Y)to stand by a fire with my Grandpa (Leo McElveen) waiting for daylight to turn the Deer Hound Dogs loose and it could be as cold as 15 degrees; but Charles Maples [Loved] Deer Hunting & listening to dogs yelp. He will be missed in the Mt. Hermon Community. The deer are surely safe.
