“ Aunt Deborah and Angie,  
When I think of Uncle Charles I can't help but laugh. He told the funniest stories. I have wonderful memories of sitting around and talking for hours and hours, with tears running down my cheeks from laughing so hard. I also remember the words of faith that he spoke. He was a wonderful man of God and has touched more lives than you will ever know. It's a comfort to know that he is now with the Lord and one day we will all be together again. I love you and my prayers are with you.

“ I always loved my Uncle Charles, during my childhood he was always giving me a hard time and making me laugh. The thing I will always remember most is that deep-gutted Grandpa Hardy like chuckle. My deepest sympathies are with my Aunt Deborah and their children.  
Dear Uncle Charles: May you rest peacefully in a better place. Love,  
John Robert

“ *Dear Deborah and Angie,  
My heart is broken today as I know yours is.  
Until we meet again, I will miss you my dear brother.  
I will miss your frequent phone calls we have shared during the past few years. We had lengthy conversations, covering everything from bible scriptures, childhood memories, to how to cook.
