“ Hi you don't know me but i wanted to offer my support to you. i also lost my little angel on November 23rd. I woke up at 4:30 in the morning to find him in his crib already passed away. He was six months old. i was sad to see that your baby was so little. I just couldn't help but think that he was holding her hand on their way to heaven, like the little gentleman he was at only 6 months old. Well you are in my prayers. My husband and i would like to say how sorry we are for your loss. Constance
