“ *I worked with Cherry many, many years at Franklinton Elementary. She was a kind and compassionate teacher and coworker. She opened her home to the FES faculty many times for our holiday parties and other events through the years. She taught my daughter in 3rd grade many years ago, too. We, both, have very fond memories of Mrs. Cherry. My deepest condolences to all of Cherry's family and friends. She will be missed. Rita Mulina*

“ Besides be co teacher with Cherry, I got to share her sweet boys Andy and John Mark as students. The joy, love, and compassion she shared is matched. My fondest memory of her was in 1993 when I was in a devastating car wreck, she was one person who I remember came to my bedside in ICU. Her sharing concern, love, and Cream of Cherry cakes were unmatched. Love to you all. Patty Alford
