“ *I met Chris when I first came to work in Louisiana. I got to know Chris when we shared a room in Lake Charles, LA. And we became friends fast, Chris was a likable guy. I would tease him regularly with anti Trump messages. Chris will be missed. My condolences to his wife and children.*

“ I want to start by sending my condolences to Leighann and the kids! I am so sorry for y'all's loss. I am and will continue to pray for yall!!

Chris was not only an amazing man, he was like a big brother to my sister and I! We could go a little while not talking (adulthood+life) but when something went wrong, he was there offering help, and even when I would tell him I was fine, he would come and check in on me anyways. When I say whenever I needed someone bc I was about to fall apart he was ALWAYS there!!! He was without a doubt one of the best men I've ever met!! I will miss him so terribly, and I promise that he will NEVER be forgotten!! I love you Chris, and I know you will be watching over us!!!!
