“ My thoughts, prayers and heart-felt condolences to Christy's family and friends. We grew up down the street from each other as children and teens. I only recently made contact with her after many years and am shocked and saddened by her early death.

“ *I am deeply sorry for your loss of Chrisity. I know what you r going thru the reason I could not come to the funeral is Saturday the 9th is Danny's birthday my husband that I lost in August two years ago at age 47 due to a major stroke on the tractor. It still seems like yesterday he died on the 14th of August just a couple weeks short of our 26 year wedding anniversary. I'm sorry for y'all's loss but I wanted to let Belinda know why I couldn't come there just yet.*
