“ My name is William (Bill or Billy) Sipes. I have always called her Aunt Claireen. But, she is actually my step-Mom. My wife and I visited her some years ago and she seemed very spry and glad to see us. I called my cousin Hazel periodically, over the years, and the report was how well she is doing. Even though we had very little contact with her, primarily because I live in SLC, Utah, she was always glad to see me. I wish I had been closer. It would have been enjoyable to have developed a good, close relationship with her. I will miss her. I know where she is now and I will pray for her. Thank you to all who looked after her and helped her have a good 97 years.
