“ Boots, I was so sorry to hear about sweet Aunt Clara passing...I remember so fondly visiting her and her soft voice telling me to come in...most of the time sitting down...even then she had serious leg problems. Always had a welcoming smile..I am grateful she had you to take care of her. Would love to see you...will call you next time I am visiting J.M. & Mary Nell.

“ I'm so sorry to hear about Aunt Clara - I loved her so much. She and Uncle Ray were great friends to my mom and dad, and I can just see them telling stories and laughing. After their husbands were gone, they remained great friends. In 1989, we had just moved to California when the big earthquake hit. Mom and Aunt Clara were visiting us but were in Yosemite so didn't feel the earthquake, but they were unable to get back to the Bay Area as scheduled because the train tracks had been damaged. They took it all in stride, made friends with the other passengers (of course!), and had a big adventure. Aunt Clara was a ray of sunshine to all who met her, and she will be missed. Love to all the family.

“ We are so very sorry to hear of Mrs. Richardson's demise, but God blesse4d her with a very long life. My father, Robert Lawrence Sr. and Mr. Richardson worked together at Southern Bell Telephone Company. Dad traded his Remington automatic to Mr. Ray and got my special 20 gauge double barrel in return. I loved that gun and remember the night Mr. Richardson gave it to me at Kegler's Kove Bowling Alley in Bogalusa. I remember Mrs. Richardson fondly as a very kind and caring woman. May the Peace of Christ be with you in your time of sorrow.

Thank you so much for your kind post. PawPaw often spoke of his time with Southern Bell. It meant a lot to him. And so did his guns. He was a good hunter. I'm so glad you have such fond memories of my grand parents. They were wonderful people. Sincerely, Sloane
