“ *Dear Jackie and Wilkie: I just found out about your mother's death from my daughter this afternoon. I immediately put in a call to your friend, Bobbie. Jackie, I know how close the two of you have been over the years, and now she has had a chance to meet Wilkie. She wasn't able to call me back until late tonight because of her husband's health situation. His health doesn't look too good right now. She wanted to be here but can't leave him at the moment. She made me promise to send you this note with her condolences before she would hang up. She wants to e-mail you herself, but is afraid she might now know how to do it correctly. Both of us are praying for you and your families. Sylvia & Bobbie*

“ *Your Mom was always one of my favorite Mt Hermon people because she always supported her kid so well. Hard for me to realize she was that old. I keep remembering people as they were when I left Mt. Hermon 45 years ago. Mr. Finley*
